General instruction for submission of report

Participants or associated members/persons should submit a brief work report to the society. After a scrutiny certificates of achievements will be issued. There is no such specific format for submission of report. The details of the work done, including the nature of the work, its newness and contribution must be mentioned. Any assistance received from the centre should also be indicated. In the first part of the report details of the participants must be mentioned. In case of experiments the experimental setup, circuitry, results, observation and inference should be mentioned. One may contact for sample report from this centre.
